12th October 2018

Harvest Assembly

Next Friday we are having our annual Harvest Assembly. This is a lovely event as it is the first time this year that the children will be performing for you as parents. Each year group will be singing a song and Year 2 will be doing some readings and poems as well.

As we have all three year groups performing this is a very busy assembly so we strongly recommend getting into the hall as soon as you have dropped your children off. We will provide enough space for as many parents as possible but sadly parents who have come late have not always got into the hall.

For the Harvest Assembly we are asking again for donations of food or toiletries. All of the donations go to St Marks Church who run the Bordon Food Bank. The Food Bank is a vital resource for many people in Bordon and our donations each year have always been extremely welcome.

This year the Food Bank particularly needs tinned meat, fish, fruit and puddings, as well as, tea, coffee and sugar but everything is gratefully received.

Any donations for the Harvest Assembly can be brought in on Friday morning as your child comes into school. We will then pass on the donations to Reverend Scott Bromley, from St Marks Church, who will be joining us for the assembly.

Upcoming Events

18 October 2018

4-6pm Parents Evening

15 November 2018

4-7pm Parents Evening

16 November 2018

Non-uniform Day for Children In Need

Bug Club

As a school we subscribe to an online reading scheme called Bug Club, to compliment the reading books we have in school and your children can access it at home using a computer or a tablet. Your child will come home with their own logon and password, this will allow your child to see their own home page.

In their library they will be able to choose a book to read which will be at their reading level, this is set by their class teacher. Every book is also filled with Bug questions, answering these questions will show your child's understanding of what they have read, so please encourage them to answer the questions as well as reading the books.

Bug Club is a fantastic resource which we also use in class. If you have any questions please speak to your child's class teacher.
