6th February 2019

Science Week Next Week

Next week we are having an entire week dedicated to science and technology. All other lessons will be suspended and the children will spend the week investigating, exploring, solving problems and generally having a fantastic time.

On the back of this newsletter is the timetable for the week. This should give you some idea of what the children will be doing in school.

We have set aside one afternoon for parents to come and join us with one of the activities. If you would like to come along then please come to your child's classroom door at 2:00pm on the day for your Year Group. Year R, 1 and 2 will be inviting parents next Thursday the 14th February.

On Wednesday the 13th we will be taking the Year R children in small groups to have a look around the Taylor Wimpy building site and the show homes. They have kindly put on a special presentation and a tour for the children. We will be driving to the site in the school mini-bus. The children will get a demonstration and will be given a guided tour of part of the site. The children will not be going onto the building site itself but Taylor Wimpy have arranged for the children to see some of the building machines drive pass.

If you have any questions about anything to do with science week then please speak to your child's class teacher.

Upcoming Events

7 February 2019

3pm 2nd Hand uniform sale in hall

8 February 2019

5.15-6.15pm FoBS Disco

11-15 February 2019

Science Week

11 February 2019

Year 1&2 Winchester Science Centre

12 February 2019

E-Safety Day – children can come to school dressed as Superheroes

14 February 2019

2pm Year R, 1 & 2 Parents invited into class for Science

15 February 2019

3.15pm End of term

25 February 2019

8.45am Start of term

6 March 2019

4-7pm Parents Evening

7 March 2019

4-6pm Parents Evening

8 March 2019

World Book Day

15 March 2019

Red Nose Day

E-Safety Dress Up Day Tuesday 12th February

For the past few years we have held an annual e-safety day. The aim of the day is to begin the process of teaching children how to be safe online. With the rise in children watching videos on Youtube and playing online games this is becoming increasingly important.

To make this a special day and one that will really stick in the children's mind we would like the children to dress up as superheroes. They can come as a superhero from a story, comic or film or if they wanted to be amazingly creative they could come as a new super hero, maybe one who can protect the online world and help remind children of the safe way to search and play online.

We will be sending home some parent information to help you know how to support your children and how to begin to educate them in safe and appropriate ways to use the technology they have all around them.

Science Week Timetable

Mon 11th Winchester Science Centre Visit Year 1 + 2	Year R= Dinosaur Day	Year R= Dinosaur Day	Year R= Dinosaur Day
	Year 1 and Year 2 @ Winchester Science Centre	Year 1 and Year 2 @ Winchester Science Centre	Year 1 and Year 2 @ Winchester Science Centre
Tues 12th E-Safety Day	Year R= E-Safety Activities	Year R= E-Safety Activities	Year R= ICT afternoon
