Scooter Week Next Week

Next week we are joining in with the Hampshire wide Scoot to School Week.

We would like to encourage as many children as possible to scoot to school. It does not matter if you scoot all the way, part of the way or even bring the scooter in the car and scoot from the car park. Every little counts!

The aim of the week is to help encourage children's fitness and to also help encourage as many families who can to leave the car behind and scoot, cycle or walk to school.

We will be recording totals in class every morning and handing out stickers to children who scoot at least once and certificates to the children who scoot every day.

Upcoming Events

26 June 2019

9-10am Parents in for Maths YR&1

1 July 2019

Reports out

3 July 2019

4-7pm Parents Evening

5-6.30pm Year 2 - Leavers Disco

19 July 2019

3.15pm End of Term

5 September 2019

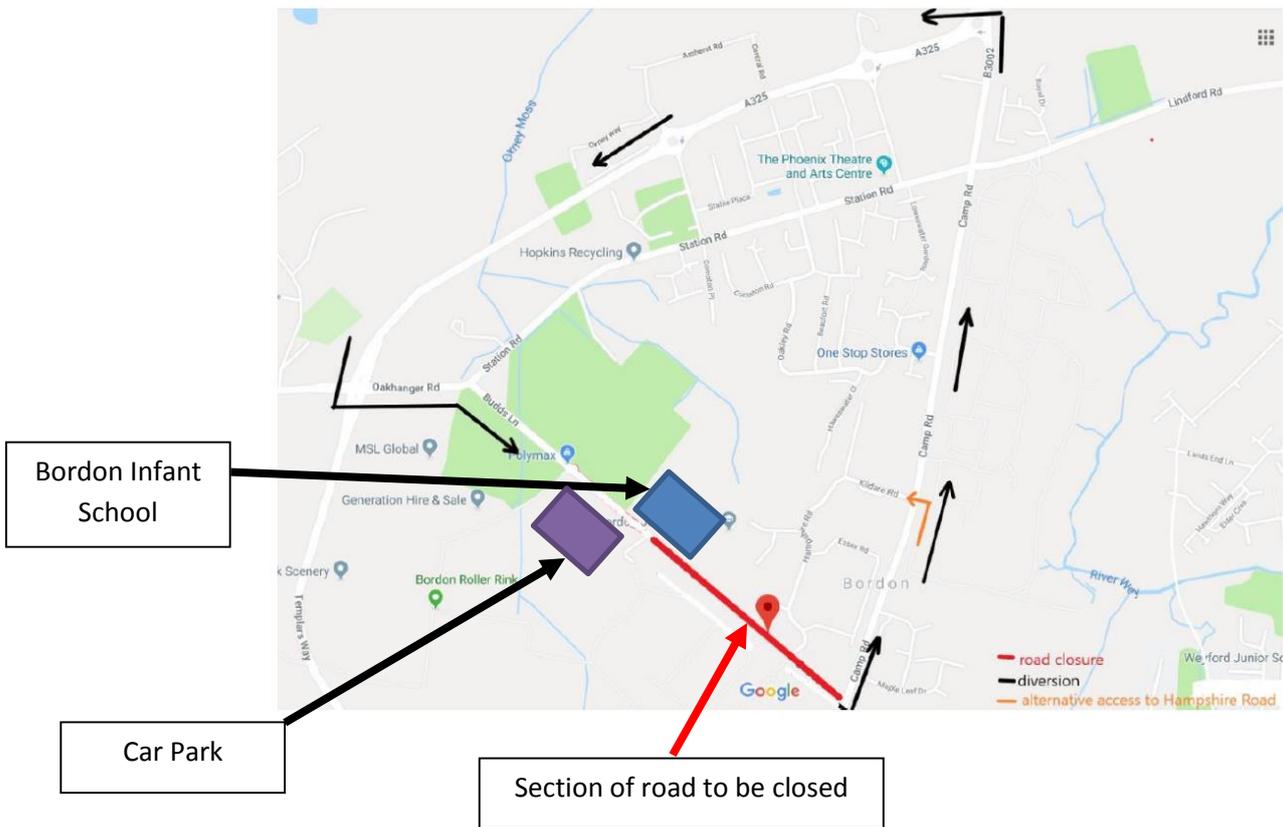

8.45am Start of Term

Budds Lane Closure

From the 1st July Budds Lane will be closed from the top of Camp Road down to outside of the school gate.

There will be no access to Hampshire Road from Budds Lane from this date for the following 12 weeks. The bottom of Budds Lane, by the skate park, will be open to give access to the car park. Parents will have to come along the new A325 and into Budds Lane from the bottom. There will also be access to the school via Kildare Road but we are predicting that this will get very busy and is best avoided.

We have put a map on the back of the newsletter showing the planned diversion.

Bordon Schools Summer Concert

We wanted to say a very big well done to all the children who went along and sang as our school choir at the recent Bordon Cluster Schools Summer Concert.

Our choir had children from all three year groups and they were singing with junior age children and children from Mill Chase. All the feedback we have had has said they did fantastically well.

A very big thank you needs to go to Mrs Porter for organising our choir and Mrs Hatchett for supporting her and the children on the night.

Reports and Parents Evenings

The children’s end of year reports will come out on Monday the 1st July. This will be followed by two parents evenings on the 3rd and 4th July.

We have decided to keep the same format for the reports as last year. There will be no teachers comments in the reports, there will be the children’s comments instead. The teachers comments will be discussed with you during the parents evening. We felt last year that this gave parents a lot more information than they would have got in a short written statement and better prepared parents for how their child would do the following year.

We hope that having an extra parents evening above the standard two help you in knowing exactly how well your child has done this year, their strengths and the areas they are still developing.
