TigerClass -

Tuesday 15th March

Dressing up day Monday 21st March

Come dressed up in any fancy dress costume that you could use in a story.

on Monday 16th May

Join Mr Benn on his many adventures

Creative writing

We use the television series Mr Benn to create stories with the children. They will be learning to write stories using different settings and characters.

Geography

The children will be looking at maps and using them to find out about Bordon. The children will be learning about, and identifying, the main features of Bordon.

How far from the school do you live?
Can your child say their address?

Please look at a map of Bordon and help your child to find the street where they live.

Science - Animals

The children will be learning about different kinds of animals, how to take care of animals and categorising animals into herbivores, carnivores and omnivores.

If you have pets at home, talk to your child about what special features they have and what needs to be done to take care of them.

Design Technology

The children will be learning about levers and will be creating their own moving picture.
