Milestones Museum Trip

THURSDAY 12th MARCH 2015

Red Nose Day and Mother's day lunch

FRIDAY 13th MARCH 2015

Easter Egg Hunt

WEDNESDAY 2nd APRIL 2015

Things to do at home

- Look around your house and make a list of all the different materials you can find.
- Look at a non fiction book and talk about how they are different to story books (fiction).
- Find a picture of a Victorian house and discuss the differences compared to houses now.
- Help your child to use the words, now, then, past and present in a sentence.

**Please bring in any work you do
to show us.**

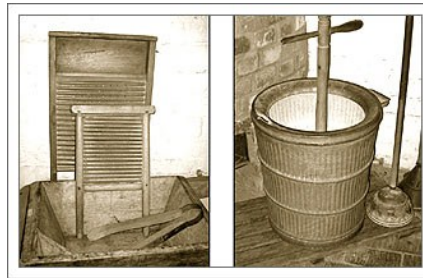

The Time Machine

**Step back in time and
find out what life was
like in the past**

Homes in the past (History)

We are going to find out how
our homes were
different in the past.

What materials have
been used to build your
home?

How could you find out?

Designing your own house (Design & technology)

We are going to design and make
our own house using a cardboard
box.

What type of house would you
make?

Materials (Science and Art)

We will be looking at a range of
materials and sorting them into groups.

We will be planning
investigations and
carrying them out.

We will be focusing on
describing materials
and using words like,
smooth, rough, shiny,
opaque, transparent.

We will be using different
materials for weaving.
