Dear Parents and Families,

Miss Brisco's Wedding dressing up day

Over the Christmas holidays Miss Brisco is going to Fiji to get married. We are sure she will have a fantastic time and we are all very happy for her. We will look forward to seeing the photographs when she gets back. To celebrate her special occasion we thought we would have a school dressing up day. Miss Brisco is having some time to prepare for her wedding so her last day of this term will be next Friday the 14th December. So on this day we thought we would dress up in anything beginning with the letter B, as Miss Brisco only has a little time left being a Brisco before she becomes Mrs Koro. So ballet dancers, bees, batman, or just something blue will be great.

Break in

As some of you may have heard both us and the Junior School were broken into last weekend. The people who broke in caused some damage to both school offices and took some money from the Juniors. We were all deeply shocked by the incident as breaking into any property is horrifying but to deliberately target money going to children is abhorrent. The group that targeted us has also targeted most of the schools in Bordon and in Alton. If anyone saw anything suspicious on the evening of the 30th November or any activity in the days leading up to the break in please let the school or the local Police know.

Kestrel FM

On Monday 10th December Kestrel FM will be playing our school singing one of the lines from the Christmas carol 'The 12 Days of Christmas'. They have recorded schools singing the song from across the area and each school has one line of the song. Our line is Day 3 so you should be able to hear the children singing for a couple of weeks. The song will be played at 7:40am and 8:40am.

Yours sincerely,
