Fun Day
£3,436

A big thank you to everyone who came to the Fun Day on Sunday. We raised the amazing amount of £3,436. All of this money will go to the children in both schools to purchase extra equipment that the schools could not normally afford from our school budget. Over the coming year we will keep you informed of what our parents association Friends of Bordon Schools, have spent the money on.

We hope you all had a good time at the Fun Day it was a great day and was very well organised. As you can imagine the organisation for such an event started months ago and took a huge amount of time. Can I say a personal thank you to all the parents from FoBS who gave up their time to put this together. We could not have done it without them. A huge thank you must also go to Mr Reilly at the Juniors. He not only ran the day from the arena magnificently but he also gave up a lot of his own time to make the day the success it was.

Upcoming events

30th September pm
Elephant Class walk to shops
1st October pm
Giraffe Class walk to shops
9th October
Year 1 school trip
15th October
School photographer in
23rd /24th October

25th October
Harvest Assembly
28th October to 1st November
Half term

Monday Morning Fun and Fitness!!!

Join us on the front playground at 8:30 every Monday to have a fantastic 15 minutes of fun and fitness. Children and parents from both schools are welcome.

Becoming involved with the school parents association
If you thought that the Fun Day was a success and you feel you have some time to give up why not join the group of parents who help to organise these events. You don't need any specific skills, just a willingness to help and a little bit of time. If you do think you could offer some time pop into the school office and give your name and someone from FoBs will contact you.

Stories, Songs and Rhymes sessions for pre-school children

Every Monday 2.30 – 3pm starting 30th September in the school Library. Come to the main school office.

Come and share stories together, borrow books and have lots of fun singing together.

For more information talk to a member of staff. Or see Mrs Burningham (ask in Year R for her).

Weekly coffee mornings

The coffee mornings have been a great success so far. They are on every Friday morning in the school Nurture Room.

The Nurture Room entrance is between the Year R and Year 1 classrooms. Look for the sign.

Come along and have a coffee, chat with staff, share ideas and find out what is happening in school. We look forward to seeing you there. For any extra information speak to a member of staff.

School Leadership team

Running a school is a very busy job and I have a great team of people helping me. This team of people is known in school as our School Leadership Team. To recognise the work they do and the contribution they make to the education of the children at the end of last term the Governors and I decided to make some promotions.

We are very pleased to announce that Miss Cross and Mrs Kennedy are now the school Assistant Heads. This means that they have specific responsibilities in supporting me to run the school. It also means that if I am out and you need to talk to someone other than your child's class teacher you can talk to either of them.

I am also pleased to announce that Mrs Mitchell our school Admin Officer has been promoted to the role of School Business Manager. This role gives her greater responsibility over many aspects of the school that are very important but do not directly relate to children's learning, specifically the areas of Finance and Health and Safety. This leaves me more time to focus on improving the quality of education we provide for all our children.

The School Leadership Team works very hard to ensure our school continues to grow and continues to deliver the highest quality of education for your child. If you have any worries, concerns or comments (or just want to let us know if you think we are doing something well) please come and talk to any one of us.
