RRR Week

Mrs Startup has organised a fantastic week next week for the children. We are suspending most normal lessons and the children will spend the week learning all about the rights they have to things like clean water, a home, food and even the right to play. Alongside all of these they will look at their responsibilities and how these link to their rights.

There will be different activities going on each day and you are welcome to join us for them daily at 10:55am, please go to the classroom door. All activities will finish at 12:00pm.

Monday= Art – Water collages

Tuesday= Cooking

Wednesday= Den Building

Thursday= Art – Decorating a tile

Friday= Playing games

We hope you can join us for some of the activities. If not see how much your child can tell you each day about what they have been learning.

Camo Day Friday 27th June

Camo Day is a fun fundraising event aimed at raising money for the military charity SSAFA and will be the schools way to mark Armed Forces Day that takes place over the accompanying weekend.

Part of the charity's work is supporting the families of those servicemen killed or seriously injured, SSAFA also operates specific support groups for brothers and sisters making the charity very relevant to children.

Children who wish to take part can come to school wearing camo patterned clothes, or green, brown or black clothes. They can also come in with camo paint on their faces. (Check first to make sure that paint is suitable and non-allergenic).

As this is a fundraising event for a charity we are asking for a donation of a pound (however feel free to donate more if you would like) for children to dress up. There is no requirement to dress up and children can come in their normal uniform if they so wish.

Upcoming events

Friday 27th June

Camo Day to raise money for SSAFA

or call on 07581 054 776 or 01420 474868 (Mondays and Wednesdays)
or book on line at www.cfheh.org.uk/services/training/the-learning-tree

The Friends of Bordon Schools Family Fun Day

Dear Parents

We are holding our annual Family Fun Day on Sunday 28nd September 2014, during which we will host our annual Grand Prize Draw. In recent years this has been really well supported by local companies who have donated prizes to support this event. Last year we sold over 2000 tickets and had over 1100 people attend the event!

If you know of or work for a company with a strong connection to the local & wider community, we would like to ask if you would be kind enough to consider asking them to donate a prize that we could raffle in the draw. This year we are open to receiving cash donations which will be used to purchase prizes, hopefully enabling us to buy a substantial first prize.

In exchange for donating a prize we are happy to hand out flyers advertising the company and we will acknowledge our thanks to them in the programme of events. In addition, for the prizes which are selected as our top three, we will include the company name on the raffle tickets.

The Fun Day is our main fund raising event and is a fantastic day for the whole community attracting many local families, not just those with children at the schools. Hopefully you will be able to help us find companies that agree this is a great opportunity to support the local community and gain some positive visibility for them.

If any companies are able to donate a prize, please contact Mrs Danny Robinson by e-mail at dannyrobinson1@hotmail.co.uk or at one of the school addresses.

Many thanks in advance.

Yours faithfully,

Danny

The Friends of Bordon Schools
Family Fun Day Committee

In 2014 FoBS became a registered charity, enabling us to offer better value to the schools we represent and entitling companies that donate to us to claim back their tax
