Father's Day Project

After the fantastic success of the Mother's Day project it is now the turn of the Dad's! We would like to invite all the Dad's to work with their child to produce a **future vehicle**. The vehicle can be anything you like and the work can be in any format you choose. We are looking for the most creative ideas where it is clear that both children and adults have worked together.

All the vehicles need to be in school on Monday 9th June to give the teachers time to judge them (if the Mother's Day work is anything to go by the judging will not be easy!). We will then have a special assembly on Friday 13th June where we will hand out prizes for the winners. After school on Friday 13th June we will display all the entries in the school hall for you to come and have a look at.

As well as the 'Future Vehicles Project' we would also like to invite all the Dad's to come and join us for lunch on Friday 13th June. When the Mum's came it proved to be a great success and the children loved having their Mum come and join them for lunch. We hope that as many Dad's as possible can come. We will let you know exact timings for your child later but school lunch is between 12:00pm and 1:00pm so it will be between those times.

Upcoming events

Friday 23rd May

INSET day School closed

Monday 26th to Friday 30th May

Half Term

Friday 13th June

Father's Day Celebration and Lunch

Friday 4th July

Children visit new classes in the morning

Monday 7th July

End of year reports go out

Wednesday 9th July

Sports Day 9:30am to 11:00am

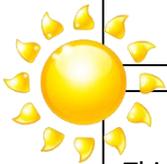

Friday 11th July

Summer Celebrations of children's work after school

Important announcements

School is closed tomorrow, the 23rd May, for staff training and will not open again until after the half term holiday.

The children are back on Monday 2nd June

Sunny weather

This is being very optimistic for next half term but just in case we do have hot, sunny weather here is the schools advice.

- Put sun cream on before your child comes to school. Children can bring in a named bottle of sun cream but they must be able to apply it themselves, staff cannot help.
- Bring a named sun hat to school. School hats can be purchased from the school office or you can bring in your own.
- Think about what you give your child for packed lunches. We do not have facilities to keep lunchboxes cool.

Tuesday 17th June 2014

The Community Room
Liphook Infant School
7pm – 9pm
Cost: FREE to parents attending
Bordon & Liphook Schools

'ONLINE RISKS & DANGERS'

We are aware that living in the new digital age puts new pressures on our children that we did not have to face. Parents tell us that it is a constant worry and that they feel unsure as to how to help. During this presentation we will explain the risks associated with being online including use of social media and gaming. The information provided will give you an understanding of potential risks and how to take simple measures to help keep your whole family safe online.
Trainers: Sarah de Marcos & Sheena West

Thursday 5th & 12th June

The Community Room,
Liphook Infant School
7pm – 9pm
Cost: £20 pp*

** Concession for parents of children attending Liphook and Bordon Schools*

'PARENTS APART'

This two part workshop, written by RELATE, is designed to help parents give their children the best support they can when the family is experiencing separation/divorce.
"This workshop has been so helpful in making me aware of how my children may be feeling and how I can support them"
Trainers: Sarah de Marcos & Sheena West

'TENSIONS & TEENS'

Saturday 13th September
The Alton Maltings

9.30am – 3.30pm
Cost: £40 pp
Lunch & refreshments included
Booking essential as limited places.

'TENSIONS & TEENS'

This popular one day workshop is a must for all parents of teenagers or those approaching the teenage years! Come along and learn strategies to support your family, understand teenage development and how to help your teenager towards independence (whilst keeping calm!)...
"Meeting with other parents of teens is a fantastic benefit in addition to all the advice. Thank you"
The day will be a mixture of small group work, film clips and presentation. You don't need to have a concern to be able to attend, some parents feel they would just like to get a 'head start' on the teen years. Suggested age 10yrs +.
Trainers: Sarah de Marcos & Sheena West

To book a place on any of the above workshops, or for further information please contact:
Sheena West: S.West@bordon-junior.hants.sch.uk
