Family Fun Day

£5,500

The Family Fun Day raised an amazing amount this year. The day itself was a great success and was one of the best Fun Days we have ever had.

A very big thank you has to go to all the members of FoBS (Friends of Bordon Schools) our school parents association. They worked incredibly hard to make the day the huge success it was. The work they did on the day was only a small part of the work they did. If it was not for the time they put into supporting the school events, the Fun Day would never happen.

Can I also thank all the staff, parents and governors who gave up time on the day to run the stalls. Again if it was not for their support we would not have been able to raise the huge amount of money that we did.

A special thank you does need to go to the Army who helped out so much before, during and after the day. The vehicles they brought and the assault course they set up were hugely popular with the children (and many adults).

A final thank you goes to all of the parents and children who came along on the day. It is your money that has added together to raise over five thousand pounds for both schools. I really hope that you had a great time on the day.

School Calendar

The school website now contains our school calendar. The calendar is kept up to date regularly and contains all the important dates that are happening in school.

Each Year Group's information is also on the calendar so you can see what things are important for your child.

Do have a look and let us know what you think.

Flu Season - Protect your family and you

October 2014

Flu is an infectious and common viral illness spread by coughs and sneezes. It is not the same as the common cold

Preventing the spread of germs is the most effective way of slowing the spread of flu

There are three main ways of preventing flu:

1. Good Hygiene

Make sure you wash your hands regularly with soap and water.

Clean surfaces such as your keyboard, telephone and door handles regularly to get rid of germs

Use tissues to cover your mouth and nose when you cough or sneeze (**Catch it, Bin it, Kill it**)

Put used tissues in a bin as soon as possible

2. Flu vaccination: Available free to:

Children aged six months to two years at risk of flu

All healthy children aged two, three and four years old will be offered a flu **nasal spray** vaccine

All Children and Adults with underlying health conditions

3. Antiviral medicines.

The best remedy is to rest at home, keep warm and drink plenty of water to avoid dehydration.

Library

A quick reminder that the Library is open every day before and after school. We would love you to come in and choose a book with your child to take home, or just spend a few minutes sitting and reading.

Every child in the school can take home a book and change it as many times during the week as they like. If you have younger children they are welcome to choose a book to borrow as well.

Our School Golden Rules

I have the **right** for respect, care and kindness from others.

I have the **responsibility** to respect, be kind and gentle to others.

I have the **right** to be safe.

I have the **responsibility** to keep myself and others safe.

I have the **right** to be listened to.

I have the **responsibility** to listen to others

I have the **right** to be trusted.

I have the **responsibility** to tell the truth

I have the **right** to learn as much as I can.

I have the **responsibility** to work hard and to help others to learn too.

I have the **right** to have belongings and to have a clean environment

I have the **responsibility** to look after belongings and our environment.

*These are the important rules we as a school stick to.
These are the rules children follow to earn their Golden Time.*
