Goodbye Mrs Sturt

As a school we are very sad to be saying goodbye to Mrs Sturt. Pam Sturt has been an LSA at our school for over 22 years. In that time she has worked with 13 different teachers and 4 different Headteachers (I have not asked her who her favourite is). We cannot begin to work out the amount of children she has supported over the years but at the very least we are talking about well over a thousand children!

Mrs Sturt currently works in Griaaffe Class first thing in the morning. After that she supports a group of Year 1 and 2 children in our Read Write Inc sessions, then works with children from both Year 2 classes during their numeracy lessons and all that before lunch! During lunchtime she jointly leads our amazing lunchtime supervisors ensuring children have a happy playtime and supporting them eating their lunch. After lunch she works with children from across the school supporting reading primarily. The reading support she provides has had a significant impact on many children's reading over the last few years.

She will be deeply missed by all the staff, she is a fantastic colleague and a good friend. In Pam Sturt you have someone who is dedicated to providing the very best for every child. You could not ask for a better member of staff in your school. Any child that has worked with her has been very fortunate, as they have had someone who cares so much and who is so committed to helping them to succeed.

We wish her all the very best as she retires and spends her time travelling. We hope that when she is not seeing the world she will come back occasionally to see us. On behalf of all the staff and children, current and past, can I thank Pam for all the years she has given to us and wish her all the very best for the future.
