

# Time Machine

**Climb aboard the time machine  
for an exciting ride through  
history. Some of the activities you  
will experience are...**

**Today**

## **History**

**What were homes like in  
the 1930's? What were  
they like in Victorian  
times?**

**How are they  
different to modern  
homes?**

**Victorian  
Times**

## **Science**

**What different  
materials are  
things made  
from?**

**Why are things  
made from  
different  
materials?**

**Year 1 are stepping back in  
time to find out what life  
was like in the past!**

**1930's**

## **RE**

**The importance of  
light as a symbol**

## English

We will be learning to write instructions. At home could you look at instructions, e.g. recipes or instructions for games or models. Why not try some baking? We will be making jam sandwiches and creating Christmas decorations and then writing about how we made them.

### Homework

- Read with you child at least four times a week.
- Practice the sounds or spellings your child brings home.
- You could write about how to play a favourite game e.g. Hide and Seek.

## Maths

For our measures work we will be learning about weight and using the correct maths language such as heaviest, lightest, heavier and lighter than to compare objects. We will also be learning to talk about money and all the different coins we use.

For our number work we will be counting forwards and backward to at least 50. We will also be thinking about number patterns and trying to explain how we know which number is the biggest or smallest and putting them in the correct order e.g. 2 4 3 or 7 3 5.

### Homework

- Practise writing your numbers and counting forwards and backwards to 50.
- Sort coins into groups e.g. 1ps, 2ps and roleplay going to the shops and paying for items.
- Keep practising saying the days of the week and talking about what happens in your week.

## Purple Mash

Find out about the properties of materials by going to topics, science, materials.

Find out how to make Diwali sweets or create a nativity scene by going to topics, RE, celebrations and then choosing Diwali or Christmas.

Compare old and new homes as we learn about life in the 1930s and the Victorian era. Click on topics, history, Queen Victoria.

## Dates to remember!

**Tuesday 29th November**

**Milestones Trip**

**Wednesday 30th November**

**Year 1 Assembly 2:45pm**
