

Building work can be quite dangerous so we will start by talking about how important it is to be safe in class and in our pretend building sites. We will begin our topic by setting up a hospital role play in each class. This is to make sure if there are any accidents in Bordon that they can be looked after.

We will be going for walks around Bordon to see the new buildings being built and the changes happening around us. We will be looking at what equipment people use to build new houses and what they are doing to keep safe.

We will be learning to retell the story of 'The Three Little Pigs' and thinking about materials which are good for building houses. We will then be designing and building houses we would like to live in.

We will be looking at jobs connected to building and seeing if any parents who have a connection to building or planning or working in Bordon to come in and talk to us.

Dates to remember:

7th February: E-Safety Day - Come to school dressed as a Super Hero. There will be parent workshops for E-Safety. E-Safety is about being safe on the internet and is a very important topic for the children to learn. The whole school will be spending a day dressed up as super heroes and learning about being safe and secure on the internet.

13th February: Chatterboxes - My family, bring photos of different people in your family.

17th February: End of term. School re-opens on Monday 27 February at 8.45am.
