

English

This half term the children will be creating their own fantasy story based around a dragon. They will be using similes and noun phrases.

At home you could:

Continue with reading and spelling practise.

Find sentences in books that have words that contain a possessive apostrophe.

Please bring in any homework you do with your child.

Maths

This half term the children will be solving addition and subtraction problems using their knowledge of partitioning.

They will also be learning to use directional language i.e left, right, clockwise, anticlockwise and $\frac{1}{4}$, $\frac{1}{2}$ & $\frac{3}{4}$ turns

At home you could:

Use directional language when moving around, play a game outside using turns.

Design a course for a remote controlled toy you may have.

History

The Great Fire of London.
The children are learning about an important event in British history.

Science

Exploring materials.
The children are learning how to describe the properties of materials using scientific language.

Year 2 Dragonology

The Great Fire of London

How did the great fire really start?

Art

Colour mixing.
The children are learning about tints and tones.

DT

Exploring clay.
The children will be learning how to mould an object from clay.
