

### **Computing**

Beginning to look at and understand simple coding and algorithms.

### **Geography**

We will be learning to describe physical and human elements of a place. Using geographical language to describe an area. (hill, north, south, stream).

# INDIA

Summer 2017

### **RE**

The children will be listening to the story of Creation from the bible.

### **Music**

We will be encouraging the children to listen and perform to music carefully to gain a sense of melody, pitch and tempo.

### **WOW Activities**

Indian Wow Day  
Bollywood Dance Company

## **Literacy**

In Creative Writing this term (Friday mornings) we will be focusing on adventure stories based around The Adventures Of Tin Tin.

In Guided Reading this term the children will be focusing answering questions about a text, making their own opinions and coming to conclusions about what message the author is putting across to the reader.

## **Homework**

Please continue to hear your child read and practise their spellings.

Please use this game to identify nouns, adjectives and verbs.

# INDIA

## **Maths**

In Maths this term, we will be focusing on solving word and pictorial problems. The children will be using estimation to check their answers i.e. I know that  $48 + 35$  will be less than 100 because  $40+30=70$  and  $8+5=13$ .

## **Homework**

Please help your child to tell the time to the nearest 15 minutes i.e. half past, o'clock, quarter to and quarter past.

You can use the ICT game – Hickory Dickory Clock for this task.

If you feel your child needs a challenge, please focus on telling the time to the nearest 5 minutes i.e 10 minutes past 2, 25 minutes past 3 etc.
