

We will be flying to a different country each week. We will be making our own passports and sharing information about what we find out.

We will be cooking some delicious food from around the world and exploring it using our senses.

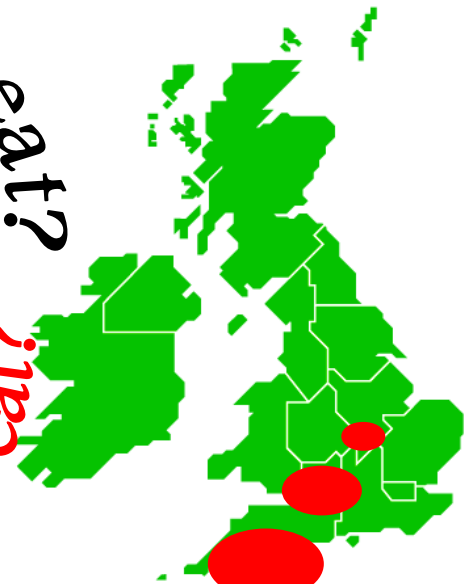

What do you like to eat?
What do other people like to eat?

We will be thinking about how people celebrate including birthdays, Chinese New Year and Christmas.

We will be using different maps to look at where we live and the countries we find out about eg atlases, Google Earth, etc.

How you can help at home?

- Read daily with your child.
- Go over the flash cards (blue ones).
- Talk to your child about different foods and how they look, feel and taste.
- Find Bordon on a map and look at the different places you have travelled to in the UK and abroad. What food did you have?

Year R Autumn 2 Topic

There's a Rumble in my Tummy!
