## Uniform Questionnaire

Dear Parents, we are reviewing aspects of our uniform policy and we would like to know your thoughts. Please could you take a few minutes to read the questions and respond. Your views as parents are really important to us and will help shape our policy.

### **Earrings**

Currently we recommend children only wear studs for health and safety reasons. There is a small risk that at playtime or during PE earrings may get caught and may get pulled out causing injury to ears.

Do you think we should stick to the policy of wearing studs only or do you think we should relax the policy and allow slightly bigger earrings, small hoops or creoles?

Studs only	Allow a wider range of earrings

### **Hair accessories**

Currently we have no strict policy on hair accessories such as bows and hair bands. We only ask they are sensible and do not distract the children from their learning. Many schools are bringing hair accessories into their uniform policy and insisting that they are the same colour as the school uniform and are plain.

Do you think we should continue to allow a range of hair accessories or do you feel hair accessories should become part of the school uniform and be in school colours, red, black or grey?

Free choice of sensible hair accessories	Hair accessories to be in school colours only

### **Haircuts**

We currently ask parents to keep all haircuts, especially boys, smart with no limited shaving, no lines or patterns and not over styled. We want to ensure that children get consistent messages about this all through school from Infants right through to Secondary. With different fashions coming and going, do you feel we should relax this a bit and allow a greater degree of styling. We would still insist on no lines and patterns as this is a rule that the Secondary's have as well.

Strict haircut policy, limited to no shaving or styling	A more relaxed hair cut policy but no lines or patterns but other hair styling allowed
