Family Fun Day

This Sunday 11:00am to 3:00pm

The Family Fun Day is still going on this Sunday despite the dreadful weather that is forecast!

This year the Fun Day will be held in the Infant School rather than the school field. All you will need to do is to come into the school through the main office door. If the weather improves we will put some things outside otherwise everything will be indoors this year.

There are loads of different activities going on as usual this year, we have a bottle tombola, teddy tombola, a raffle, a lucky dip game, hook a duck, ball in a bucket, a book stall, a plant stall, a cake stall as well as BBQ food, hot and cold drinks, alcoholic and non-alcoholic drinks. Enough for the whole family to have a great time.

All the money raised goes towards getting lovely things for the children so please do brave the weather and come along it still should be a lovely day.

Both the main school gate by the Juniors as well as the Budds Lane gate will be open. There is no cost to come in just spend your money having fun with the family.

Walktober Challenge

With the current difficulties on parking around the school for the next few weeks we have signed up to the Walktober Challenge. Your children are coming home with a Walktober challenge card, the idea is to either walk to school as many days as you can or to park a little further away and then walk into school.

We are still not 100% sure when the Budds Lane car park will close and the new one will open but as soon as we have any information we will let you know.
