

We will be learning about the world in general and China and India in particular. We will be using role play to travel to China and India on Rumble Air

Autumn Term 2021 Rumble in My Tummy

We will be cooking some delicious recipes from around the world as well as exploring the flavours and smells using our senses

We will be thinking about how people celebrate special events such as birthdays, the Chinese New Year and Christmas.

We will be using atlases, Google Earth and globes to find where we live, where we have been on holiday as well as the countries in our topic.

Please can you help at home by:

- Practising writing their names using the handwriting cards which we will be sending home
- Practising their sounds regularly so they can start to blend them together for reading, for example if they use the 'c, a and t' sounds they can make 'cat'
- Using the scissor packs we are sending home to help your child with their cutting skills
- Using Bug club at home to support their reading further
- Talking about how food smells, looks and tastes. Can they talk about food they like and dislike and begin to give reasons why?
- Looking at the different countries we are finding out about on a map
- Talking about how we celebrate birthdays and Christmas or any other celebrations in your house
